

IP SERVICES IN RUSSIA, EURASIA, UAE AND CIS COUNTRIES

PROTECTING TWO PARTS OF THE WHOLE: IDEA AND RIGHT

Zuykov and partners is a fast-growing IP company and one of the best law firms in Russia. It is based in Moscow and has been operating nationwide and abroad since 2004.

Zuykov and partners provides civil law services for the registration, protection and enforcement of intellectual property.

The company helps its clients to register, develop, protect and effectively use their intellectual property worldwide, including in Russia, Belarus, Kazakhstan and UAE.

Zuykov and partners was established by IP practitioners who have been working in the industry since 1995. The team includes specialists with more than 20 years' experience, including trademark and patent attorneys who previously held key positions in various departments and subdivisions of national trademark and patent offices in Russia.

Zuykov and partners cooperates with patent and trademark attorneys worldwide and is always looking for partners to establish long-term and mutually beneficial relationships. Due to its extensive contacts with attorneys and IP firms, it covers all IP matters in the Commonwealth of Independent States and all over the world, offering competitive prices.
